

## LEADERSHIP AND POLICY QUARTERLY

### Instructions for Authors

Manuscripts must be written in English and prepared to the style and procedures described in the Publication Manual of the American Psychological Association (6th Edition). Each submission must include a **Cover Sheet**, which contains the title of the manuscript, author(s), institution affiliation, mailing and email addresses; an **Abstract** of no more than **150** words. The length of the entire manuscript generally should not exceed 30 pages (double-spaced) including references. Manuscripts must be in Microsoft Word files and emailed to the Editor of the journal.

Normally, the Editor performs an initial review on each manuscript submitted to the journal. It will then be blindly reviewed by two independent reviewers in the field if it has passed the initial review. An attempt is made to review manuscripts within **two months** of receipt when possible. When the manuscript is accepted for publication, the authors agree to **automatic transfer of the copyright** to the journal for providing abstracting and copying services for dissemination.

### Subscription

All subscriptions are based on a calendar-year basis. UI scholarly journals are published quarterly in March, June, September, and December every year. Only US funds are accepted for subscriptions. Please visit our website <http://www.untestedideas.com/subscription.html> for subscription options.
